

# EXTRA GEORGIA

## Wins the Hudson Stakes at the Gravesend Track.

### AND THAT QUITE EASILY.

#### Judge Morrow Beats All in the Maturity Handicap.

(SPECIAL TO THE EVENING WORLD.)  
GRAVESEND RACE TRACK, May 19.—The weather was calm and raw at Gravesend today. The wind came in from the East and it brought with it the cold breath of the ocean. It swept directly across the grand stand and men and women who brought overcoats and wraps congratulated themselves on being so amiable.

The programme was one calculated to bring a large crowd to the track, yet, excellent as it was, it failed to increase the attendance to any appreciable extent. The way and wherefore of this cannot be conjectured. There were two races on the card that were looked forward to by the visitors with more than ordinary interest. These were the Hudson Stakes for two-year-olds and the Maturity Handicap.

The former brought together the pick of the Morris stable, the sly Georgia, who is reputed to be faster than a streak of oiled lightning. There were also in the race Orie, Bell and other high-class two-year-olds.

The Maturity Handicap brought together Judge Morrow, Banquet, Uncle Bob and others, and it promised to be an excellent race.

The whole card was a fine list of races and promised great sport.

The track was thoroughly dry and so dusty that it had to be sprinkled in front of the stand.

The first race on the card brought together a good lot of sprinters.

Astoria, who was known to exercise canter at Gravesend, was made the favorite, the betting opening with Father Bill Day's great sprinter at a second choice. Third choice was Kingbird, who is distinguished because he is a two-year-old, and fourth choice was Jack Lion. All of them were backed.

Chesapeake was at long odds in the betting, but his price quickly tumbled when a party went around and played him. He was well played along and Orie had a good chance in the morning.

The race led to Father Bill's sprinter. He got away in front and stayed there, winning after an exciting finish by a head from Dr. Hendrick, who was second choice.

Griffin opened favorite for the second race, but no money went on him, and his price receded. He was a good horse, but he was not in his best position, but not for him, for the money came in on Astoria and down went his price.

A lot of money went on Now or Never, and he gave some trouble to a couple of jockeys, but he did not make a mistake and he was in the lead at the end of the race.

Orie was not so much favored for the third race, but he was the only one outside of Georgia that was backed. He gave a good race and he was in the lead at the end of the race.

Georgia was easily from Lady Longfellow, who was Orie's opponent. Time—1:35.
